Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed after the later of three months from the application's filing date and the mailing date of the first Office Action on the merits, but before a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), and therefore Applicant is filing concurrently herewith a Statement Under 37 C.F.R. § 1.97(c). No fee under 37 C.F.R. § 1.17(p) is required.

Attorney Docket No.: Q87739

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application (Japanese Office Action dated March 13, 2009) citing such documents, together with an English-language version of the Communication indicating the degree of relevance found by the JPO.

Applicant further provides the following explanation: Listed reference JP-A-2002-146114 corresponds to U.S. Patent Application Publication No. 2003-0114569.

It is noted that cited references 1-4, on page 6 of the JPO Action were previously listed on the PTO/SB/08 form submitted with the Information Disclosure Statements filed in the U.S. Patent and Trademark Office on April 29, 2005 and May 19, 2008, along with copies of the foreign references.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The U.S. PTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
